

INTERN FORM

Bear Creek Nature Center is located in Chattahoochee Hills, Georgia. We are a small, non-profit nature center dedicated toward environmental education in our local community. We rely on the dedication of volunteers and interns to achieve this purpose. If you are interested in being an intern, please fill out the following form and one of our staff members will contact you shortly. We are open to high school, college, and professional interns. High-school volunteers will require parent/guardian permission and contact information.

We are open to internships in areas of environmental and wildlife sciences, science communication and media, education (K-12), and non-profit organization and community development. If you are pursuing these or related fields, we welcome you to inquire more about how you can fit into the vision of Bear Creek Nature Center.

For a digital copy of our Intern Application Form, visit: <https://forms.gle/jnLGOSjeuxWNKv3L9>
